## Message from the President

San Angelo Federal Credit Union's 80th Annual Membership Meeting was held on February 27, 2019. We celebrated another profitable year. *Thank YOU* - our members - for placing your trust in SAFCU!

Have you downloaded SAFCU's Mobile App? It is FREE and available in the app store for your Apple or Android device. You can be sure to stay connected to your account, and have the convenience to access your account while you are on the go. Once you have your bills set up in Bill Pay, you can pay your bills from the convenience of your mobile device. On the desktop version, other features available for your Online Banking are External Accounts, Secure Messaging, and eAlerts. If you have any questions regarding your internet banking, please contact our Member Service Department.

A new feature we will be adding to our debit card program, called CardNav, with CO-OP Financial Services. This will be an app you can download on your mobile device to add another level of security to your debit card; you can set parameters and decide how and when your card is used.

Coming Soon...SAFCU will have a new online loan application...a secure and convenient way to apply for a loan. We have also partnered with a new company, IWS, to offer an extended warranty for your vehicle, called Vehicle Service Agreement (VSA). There is a link available on our website for you to shop and compare the coverage that meets your needs. Or contact our Loan Officers; we can finance the VSA and add it to your loan.

SAFCU is celebrating our 80th Anniversary with a yearlong loan promotion. We can offer a signature loan at 8% APR for 24 months (with approved credit); perhaps you've been thinking about a small home improvement project, or a bill consolidation, or a vacation loan. Let SAFCU help meet any of your financial needs.

Check our website regularly for important information at [www.safcu.com](http://www.safcu.com)

Respectfully Submitted,
