Message from the President

At SAFCU, the health and well-being of our staff and members are our top priority.

Every person in America and every financial institution had to face the challenges of the COVID-19 pandemic for the past two years. We enacted certain protocols to minimize exposure, especially for our high-risk staff and members, while ensuring you have access to your money and our full array of services whenever you need them. When it was necessary to close the lobby for an extended period of time, SAFCU successfully transitioned to offer all our products and services at the drive-thru. The Loan Department team continued to operate and allowed members to enter the lobby by appointment. We followed the CDC recommended precautions by wearing masks and social distancing. Remember SAFCU has a variety of online capabilities. We hope the technical advancements we've made will help you feel confident about the security of your money and your ease of access to it.

Have you downloaded SAFCU's Mobile App? It is FREE and available in the app store for your Apple or Android device. You can stay connected to your account, and have the convenience to access your account 24/7. Once you have your bills set up in Bill Pay, you can pay your bills from the convenience of your mobile device. Other features available for your Online Banking are External Account transfers, Secure Messaging, and eAlerts. SAFCU offers our loan application online for a secure and convenient way to apply for a loan.

SAFCU will introduce Remote Control Cards (coming soon),
which will replace the CardNav app from CO-OP Financial Services.

It will be available on your existing SAFCU mobile app & internet banking to add another level of security to your debit card. You can receive push notifications, so you will be notified any time your debit card is used.

If you didn't authorize that purchase, you will be able to turn your card off instantly. Please contact our Member Service Department if you have any questions regarding any of the new online services or apps.

San Angelo Federal Credit Union's 83rd Annual Membership Meeting will be held on April 29, 2022 at the SAFCU main office, 235 W 1st Street, during the lunch hours from 11 am - 2 pm.

Amidst the pandemic, we are proud to report another profitable year and positive growth. A hard copy of SAFCU's complete financial report packet will be available on April 29th, and a soft copy will be available for download on our website.

Board of Director elections will be held at the annual meeting luncheon and member appreciation day, April 29th. Current Board members, Brandon Sanders and Deborah Michalewicz are seeking re-election for three year terms.

Respectfully Submitted,
Laura Whisenhunt
President & CEO
