NOTICE

Please make sure we have your correct phone number on file.
If there is fraud on your account,
it is important for us to be able to contact you immediately.

We encourage our members to keep their debit card number and PIN secure when making purchases!

We advise to never use your debit card for online purchases or bill payments.

Consider using a SAFCU Credit Card for online purchases, and SAFCU's online banking in order to utilize the bill pay service. Another safe alternative is to securely establish your recurring monthly payments to be automatically drafted from your account.

Have you Downloaded SAFCU's CardNav App by CO-OP?

With CardNav, you can manage HOW, WHEN, and WHERE your debit card is used.

CardNav enables you to set control parameters regarding the transaction types, geographic rules, and the merchant types where your card can be used.

Protection: If you've lost your card or see fraudulent activity on your account, turn any card on, or off - in seconds.

Travel Notification: Ensure you are the only person using your card! GPS capabilities can limit where your card is used, and you can enter your travel dates and location.

Real Time Alerts: Stop fraudulent activity before it happens. Based on your preferences, an alert notification will be sent, giving you the power to deny the transaction or turn the card off.

Surcharge Free ATM

SAFCU's onsite ATM is available 24/7.

If you are traveling, download the mobile app to locate a surcharge free ATMs in your area at www.co-opfs.org
